

Why do **you** think Community Group is so important? Brainstorm thoughts and compare them with others....

### **I. The Need is Evident**

#### A. Before Sin....

1. Man was created to know God, and relate to him in the most trusting way. You are made in the image of God.
2. Before sin entered the picture, Adam needed something that God wanted to give him, because humans, apart from relating to other humans, miss something that God intends us to have...relationship and community.
3. After the fall, Humans really need something. Know what that is??... other people. We need others. The temptation for many is to pursue greater and greater "isolation" and less and less "connection to people". Sin broke our relationship to God, to ourselves, to others. You can trace it, beginning in Genesis, and through nearly every book after. Man is alienated from God, and each other...and in that condition, and in how we function, we pursue a quest apart from God's design.

#### B. What is that QUEST? It's a quest for self-sufficiency.

Do you know your spiritual gift? Romans 12 and 1 Cor. 12:8

#### C. Is our spiritual health a private matter?
